4. [] Received a call from Colonel J. R. Cumberpatch, Air Force L&L, concerning a request received by Air Force from a Mr. Gehrig, in Senator Stuart Symington's office, that the Air Force make available to the Senator a copy of the NIE current at the time of the Air Force cancellation of the F105 Program. After discussing the matter with the Director, Mr. Warner advised Colonel Cumberpatch, as had been previously indicated in the earlier conversation, that the NIE's may not be made available to members of Congress. It was suggested, however, that they might care to contact Mr. Gehrig and suggest that if he would pinpoint specific areas of interest, appropriate extracts might be made available.
